

Neighbor to Neighbor Home Repair Project A Project of Morrow Church

Neighbor to Neighbor is a summer home-repair program. Volunteer teams of adults and high-school students provide home repairs free-of-charge to qualifying homeowners. We recognize that there are times when home repair projects can be difficult to perform or afford. We are here to help in the spirit of love and care for our communities.

We have teams of volunteers who have helped other homeowners with bathroom, kitchen and outdoor repairs in New Jersey, Louisiana, West Virginia and Kentucky. We are looking forward to helping neighbors close to home, as we all come together to provide mutual aid to each other.

If you are in need of home repair support, please complete the information below and return to Morrow Church. We will call you to set up a time to evaluate your project. Projects will be evaluated based on the availability of volunteers with skills to complete the work and the ability for volunteers to work safely. If approved, we will schedule a team of volunteers to make the home repairs during the week of November 4-5. Someone will need to be home during the time that the repairs are made, generally from 8:30am to 1:00pm.

Please complete the information below and sign.

Name _____

Address _____

Email _____

Primary Phone _____ Secondary Phone _____

Do you own your home? Y/N Do you own your land? Y/N

Will you be able to provide materials or funds for materials for the repair work: Y/N
Inability to pay for materials does not disqualify an application.

To the best of my knowledge, I certify that the information in this application is true and correct, and that the home listed is my primary residence. I understand that Neighbor to Neighbor is a ministry that cannot guarantee it can serve all who apply. If selected, I may be asked to show documents that verify this information.
