

MORROW MEMORIAL UNITED METHODIST CHURCH

Dear Family,

Thank you for considering Morrow Church to be your church home. This is a very special family and we will be blessed by your presence and participation.

Please know that it is required that one parent or guardian be a member of the local congregation. In the spirit of building a relationship with you, whenever possible, we request three visits to our worship services prior to the date of your request so that you can get to know the amazing people of God who vow to surround and support your family, and those being baptized, over the years to come.

Rev. Janice S. Lynn will be in touch to discuss all of this with you.

Thank you - God bless you!
